5.0 DETAILS OF QUESTION BOOKS AND ANSWER SHEETS

5.1 Syllabus for Entrance Test

a) MBA Degree Programme:

The Question paper will be 5 parts with the following topics:

Part 1 : To evaluate the candidates ability to pick out critically the data and apply the data to business decisions from given typical business situations.

Part 2 : To evaluate the skill of the candidates in answering questions based on the passages in the comprehension

Part 3 : To evaluate the skill on solving mathematical problems of graduate level including those learnt in +2 or equivalent level.

Part 4 : To test on determining data sufficiency for answering certain questions using data given plus the Knowledge of Mathematics and use of day-to-day facts.

Part 5 : To test the knowledge on written English with questions on errors in usage, grammar, punctuation etc.

Candidates are required to answer 100 objective type questions in 2 hours. Each question will be followed by **four probable answers**. The candidates have to choose the correct answer and shade the appropriate box against the question in the answer sheet **with HB pencil**.

b) MCA Degree Programme:

The question paper will be designed to test the capability of the candidates in the following areas:

1. Quantitative ability
2. Analytical reasoning
3. Logical reasoning
4. Computer awareness

There may also be a few questions on verbal activity, basic sciences etc. The question paper will have 100 objective type questions. Each objective type questions will have four probable answers. The candidates have to choose the correct answer and shade the appropriate box against the question in the answer sheet with HB pencil.

5.2 Evaluation Scheme

While evaluating the answer, one mark is awarded for each correct answer. **No deduction will be made for incorrect answers and unanswered questions.**

The candidate is expected to attempt all the questions to secure the highest mark. In other words there is no choice among the questions.

The model questions are given in **Annexure II**. The candidate has to choose the correct answer and shade the corresponding box in the answer sheet with **HB pencil** for that question.

Wherever writing is involved use **“black ball point pen”** only.

A Specimen answer sheet is given in **Annexure III**. By taking photo copies of this specimen answer sheet, you can practice yourself before appearing for the Common Entrance Test.

During evaluation, the answer sheets are fed into a scanner. The shaded information are captured by the scanner and the details are transferred to computer for evaluation. Even a small stray Pen/Pencil mark on the sheet will be captured by the scanner which may misled the evaluation process. When you wish to make changes in the shade, erase the previous shading till it completely disappears. Improper shading and light shading are likely to be missed by the scanner which may result in reduction of marks.

The candidates are advised to shade the boxes with HB pencil as this will help them to make changes if needed.

The candidates will not be permitted to take home the Question Book at the end of the MBA/MCA Common Entrance Test.
