5.0 DETAILS OF QUESTION BOOKS AND ANSWER SHEETS

5.1 Syllabus for Entrance Test

a) MBA Degree Programme:

The Question paper will be 5 parts with the following topics:

Part 1 : To evaluate the candidates ability to pick out critically the data and apply the data to business decisions from given typical business situations.

Part 2 : To evaluate the skill of the candidates in answering questions based on the passages in the comprehension

Part 3 : To evaluate the skill on solving mathematical problems of graduate level including those learnt in +2 or equivalent level.

Part 4 : To test on determining data sufficiency for answering certain questions using data given plus the Knowledge of Mathematics and use of day-to-day facts.

Part 5 : To test the knowledge on written English with questions on errors in usage, grammar, punctuation etc.

Candidates are required to answer 100 objective type questions in 2 hours. Each question will be followed by **four probable answers**. The candidates have to choose the correct answer and shade the appropriate box against the question in the answer sheet **with HB pencil**.

b) MCA Degree Programme:

The question paper will be designed to test the capability of the candidates in the following areas:

1. Quantitative ability
2. Analytical reasoning
3. Logical reasoning
4. Computer awareness

There may also be a few questions on verbal activity, basic sciences etc. The question paper will have 100 objective type questions. Each objective type questions will have four probable answers. The candidates have to choose the correct answer and shade the appropriate box against the question in the answer sheet with HB pencil.

5.2 Evaluation Scheme

While evaluating the answer, one mark is awarded for each correct answer. **No deduction will be made for incorrect answers and unanswered questions.**

The candidate is expected to attempt all the questions to secure the highest mark. In other words there is no choice among the questions.

The model questions are given in **Annexure II**. The candidate has to choose the correct answer and shade the corresponding box in the answer sheet with **HB pencil** for that question.

Wherever writing is involved use **“black ball point pen”** only.

A Specimen answer sheet is given in **Annexure III**. By taking photo copies of this specimen answer sheet, you can practice yourself before appearing for the Common Entrance Test.

During evaluation, the answer sheets are fed into a scanner. The shaded information are captured by the scanner and the details are transferred to computer for evaluation. Even a small stray Pen/Pencil mark on the sheet will be captured by the scanner which may misled the evaluation process. When you wish to make changes in the shade, erase the previous shading till it completely disappears. Improper shading and light shading are likely to be missed by the scanner which may result in reduction of marks.

The candidates are advised to shade the boxes with HB pencil as this will help them to make changes if needed.

The candidates will not be permitted to take home the Question Book at the end of the MBA/MCA Common Entrance Test.

ANNEXURE II

MODEL QUESTIONS MBA DEGREE PROGRAMME

Section-I : Analysis of Business Situation

This section contains lengthy passages. Read the passages and also the directions before answering the question that follow the passage. The questions are of two types.

- 1) Data evaluation questions
- 2) Data application questions

Section-II : Reading Comprehension

This part contains reading passages. You have to read the passage carefully. Each passage will be followed by questions based on its contents. Choose the best answer to each question out of the four probable answers given.

Section-III : Problem Solving

This part evaluates the skill on solving mathematical problems of graduate level including those learnt in +2 or equivalent level.

Eg : A is thrice as good a workman as B. B takes 60 days more than A to finish a piece of work. The time in which they can do it working together is:

- a) 25 days b) 30 days c) 27 days c) 22 1/2 days

Section-IV : Data Sufficiency

Each question will be followed by two statements (a) and (b). You have to determine whether the data given in the data are sufficient for answering the questions. Use the data given, plus with your knowledge of mathematics and every day facts, to choose your answer.

Section-V : English Usage

In each of the sentences below, four words or phrases are been underlined. Select the underlined part which contains an error in usage, grammar or punctuation.

Eg : She informed me that she had been ill for sometimes but that she hoped to be better by summer.

- (a) (b) (c) (d)

MODEL QUESTIONS

MCA DEGREE PROGRAMME

Eg: The sum of even numbers between 1 and 31 is

- (a) 16 (b) 128 (c) 240 (d) 512

Section-II : Analytical Reasoning

This port contains problems which would test the analytical capability of the candidate.

Eg: Find the next number of 4, 7, 12, 19, _____

- (a) 26 (b) 29 (c) 27 (d) 28

Section-III : Logical Reasoning

Eg : If CHINE is written as 38126 and NEPAL, is 25769, how is PLAINE coded?

- (a) 971625 (b) 769125 (c) 796125 (d) 679125

Section-IV : Computer Awareness

Eg : Which of the following was the first digit computer?

- (a) UNIVAC (b) ILLIAC (c) VAX II/780 (d) ENIAC

Section-V : English Usage and Basic Sciences

This section contains of questions that evaluate the knowledge of the candidate in English Language. Also questions will be asked on General Sciences

Eg : Numismatics is the study of

- (a) Numbers (b) Coins and Medals (c) Weights and Measures (d) Calculators
