certificates.

The post fell vacant on October 4, 2022 and the VC Search Committee was constituted a month later. Usually, the convocation takes place in the same year of passing out, during October or December.

Many students are unable to pursue post-graduation in the country and abroad. Ph.D scholars were also not able to join Post-Doctoral Fellow programme without the degree, the press release said.

The last convocation was held on May 13, 2022. Many statutory appointments in teaching and non-teaching categories were pending due to the delay in appointing VC, the release said.
